Correspondence

1. Response from Rachel Savage re theatre dates, she advised that the studio isn't viable whilst social distancing is in place and requesting whether July or August would be suitable dates in main auditorium. She also advised LeedsCAN would be requesting dates in Feb for 2022. Discussed later in meeting.
2. LS has responded to Rachel and he has offered to oversee and project manage COS on U-Tube. CC advise Bryan will be able to help but not able to lead and organise due to other commitments. EJ also advised happy to help but doesn't have technical skills.
3. Email from Bryan Craven loves the U-tube idea but sadly not enough time to lead.
4. Email from Bryan Craven as Noda rep with updates, send to membership.
5. LeedsCAN email requesting dates for 2021/2022 to be discussed under upcoming production.

Upcoming Production

Agatha Crusty & the Murder Mystery Dinner

JM – confirmed she has talked to cast about not knowing when show will be performed and now rehearsing fortnightly.

Last meeting discussed potential performance dates. Rachel from Carriageworks advised option of July/August in main auditorium and studio in October.

GM advised that G&S cancelling week in main auditorium October 3rd.

Discussed options, JM advised she defiantly does not want to recast Agatha as CC played role so well and has learnt her lines. Discussed February 2022 as an option. Unknown re roadmap out of lockdown. Aware of people will be afraid of coming out, people will need to get confidence back.

CC as publicity officer – from a publicity perspective having 2 dates for both plays following same year can publicise this. Decision made to do nothing until next meeting when more awareness of how COVID roadmap is running.

Theatre dates to be requested;

2021

June 21/6/2021 – cancel

October 18/10/2021 – leave at moment and also ask for 25/10/2021

2022

February – w/c 21st

June – w/c 20th

Deferring decision re Agatha until next meeting when more knowledge of roadmap out of lockdown is known.

Social – LS 1st April proposed day of social meeting on ZOOM Suggestions to LS by 7th March – all – LS to send a reminder.

Noda Matters – CC did an article hoping we could put a date on the show. Used dinner picture, not celebrated 65 years as yet, next Noda Matters details will be published. CC has interviewed a few life members. EJ suggested doing something for U-Tube. CC wants to see Barry Unwin to film a section.

CC discussed potential scripts we could use for U-Tube films. Suggestions of how other societies are making money during the pandemic.

AOB

LS asked about cost of main auditorium for a booking in October..

CC gave update on what Noda is doing, email has been sent to membership requesting members video a drama to be represented on the Sunday morning for the NODA Gala Weekend event. They are short on drama as lots of dancing and singing films received. Anyone interested respond to email, record on a good quality form and sent to Bryan.
